THE OHIO STATESMAN FOR 1865.

PROSPECTUS. a urner would take place

The time has come to issue the Annual Prospectus of The Onio Statesman. This Journal was established to expound

and enforce the great ideas of Government taught and practiced by Thomas Jerrenson and Andrew Jackson, which gave extent of territory to the Union, world-wide renown to these States, and unexampled prosperity and happiness to the American people. Never before in the history of the Government, were the exposition and the enforcement of these ideas so necessary as now. Alone through their adoption and faithful practice by the Administration, can the Union be restored, and peace and widespread happiness be brought again to our untry, now torn and mangled and desonated by a gigantic Civil War.

A partial change in the Editorship and Proprietorship of THE STATESMAN has taken place. Lewis Baker has sold his entire interest in the Establishment, and retired from the position that was assigned him on the Paper-E. B. ESHELMAN having bought that interest and an additional interest. Mr. ESHELMAN has been for nearly ,ve years the Editor of The Chillicothe Advertises -? paper regarded as one of the leading Domocratic Journals of Ohio. He has now assumed the duties and responsibilities of his new position as the co-editor of THE STATESMAN, thus uniting his experience and ability with those of Amos Lay-MAN, in the important work of continuing to make the several editions of the Paper deserving the cordial and liberal support of be Demogracy, everywhere.

THE OPTO STATESMAN COMPANY NOW call upor the friends of the Union and the Constation, in every County, Township, and School District, throughout the entire State to actively aid them in the circulation of this old and time-honored Central Organ of the Ohio Democracy. They ask that all of its editions be liberally subscribed for and paid for, during the ensuing year.

An accurate daily abstract of the proceedings of the Ohio Legislature, when in session; he latest Telegraphic Dispatches, including the proceedings of Congress when is session, and the Markets from all the Commercial Cities-will be given in

THE WEEKLY STATESMAN is a large thirty-two column journal, printed on good paper and clear type, large enough for old eyes. Each number contains a complete resume of all the Military and Political news of the week; the latest Telegraphic and Market Reports; a carefully prepared collection of Literary reading for the home and family; and an abundance of Paragraphs upon every topic of interest or importance moving average and
